Adam Rogers, Head of Reddam House uMhlanga College, congratulates all students and teachers on their steadfast focus and dedication throughout a year that delivered unprecedented difficulties. "Our Class of 2020 have made us proud – not just because of your excellent academic achievements, but as strong supporters of each other, as community-minded people, and as solution-focused problem-solvers through all circumstances – 2020 presented many changes with including the adjustment to online learning which our students and teacher embraced. We wish our students the futures they deserve and have worked so hard for."
